

WE ARE HIRING!

PANEL ASSEMBLER

JOB REF NO: JP194

DEPARTMENT: T-T CONTROLS

RESPONSIBLE TO: DEPARTMENTAL MANAGER

T-T Pumps Ltd, one of the UK's market leading companies in the supply, manufacture, design, install and service of pumping equipment, is looking for a dynamic and motivated individual to join their Controls team.

This role will include manufacturing motor control panels and kiosk assembly, including panel assembly and construction, working from schematic layout diagrams. Full training will be given.

Responsibilities / Duties:

- To assemble control panels and kiosks to given wiring diagrams and parts lists in accordance with T-T Pumps' standard procedures.
- Liaise with Test Engineers, Stores, and Design departments with problems relating to design/manufacture.
- Keep accurate time sheets in relation to hours spend on each individual job.
- Maintain and assist in improving company procedures where possible.
- Any other duties as deemed necessary.
- Identify training needs.

Any other duties necessary:

- Be flexible to the requirements of the business
- Observe and maintain the company's Health and Safety Policy
- Undertake any other duties that may be required from time to time
